

Why bother?

Pupil premium funding from the government is given to schools to help pupils reach their full potential, regardless of their background or financial situation. This extra money could make a real difference to the quality of education we can provide for your child.

If you're eligible but you want your child to have packed lunches you should still register because the school will receive the funding which can support your child in many other ways.

Please note, if the Government funding of 'Pupil Premium' changes, the school reserves the right to change its offer. Provision is directly related to the current funding arrangements.

What is Pupil Premium?

The Government award 'Pupil Premium' funding to all eligible children.

All children in Reception and Year1/2 are entitled to a 'free' school lunch funded by the Government. **This is different to Free School Meals (FSM) and you must apply for FSM to receive the benefits listed in this leaflet.**

The school will use some of this money on your child, funding the initiatives mentioned overleaf.

Other money will be spent on supporting **ALL** children through the provision of additional support staff, paying for resources to enhance the curriculum and staff training.

Please note:

If you have received FSM in the past, your child will still have Pupil Premium status for six years.

Is my child eligible?

Your child might be eligible if you access:

- Income Support
- Income-based Jobseeker's Allowance or Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
